CASE NO. C20-5451 MJP-MLP

ORDER ADOPTING REPORT AND  
RECOMMENDATION DENYING  
MOTION FOR PRELIMINARY  
INJUNCTION

This matter comes before the Court on Plaintiff Denge Lemo Gahano’s Motion for a Preliminary Injunction. (Dkt. No. 26.) Having reviewed the Motion, the Report and Recommendation of Magistrate Judge Theresa L. Fricke (Dkt. No. 27), Gahano’s Objections to the Report and Recommendation (Dkt. No. 30), and all relevant materials in the record, the Court DATES the Report and Recommendation and DENIES the Motion. The Court separately notes that Gahano is now represented by counsel, which addresses much of the relief he sought in his Motion—more complete access to legal research to support his case.
